LIII. OSSAA RANKING PROGRAM POLICY

The OSSAA has an on-line ranking program for use by school administrators, coaches, and the general public. The program is accessible at the OSSAA website, (www.ossaa.com). It is mandatory that results from each regular season contest in the activities of fall baseball, spring baseball, basketball, football, soccer, fast-pitch softball, slow-pitch softball, volleyball, wrestling (all match scores and team results of invitational tournaments), and golf (team score) must be entered into the ranking program within 24 hours of the conclusion of the contest throughout the season. Once any athletic activity, with the exception of Cross Country, Track and Field, Swimming and Tennis, enters the play-offs for their respective activities, those results must also be entered within 24 hours of the conclusion of a play-off contest.

Any coach failing to report the score within 24 hours of the conclusion of a contest will initially be notified in writing of his or her failure to comply by OSSAA Staff. A copy of that correspondence will be sent to the coach's school administrator as well. A second incident of failure to report will result in the coach being placed on warning for a period of one year. A third, and each subsequent failure to report will result in the suspension of the coach for the next contest.
