**FOOTBALL CLASSIFICATIONS 2016/17 – 2017/18**

The following is a list of Football Playing Schools that will be used for district alignments for the 2016/17-2017/18 school years. The classifications are based on the ADM numbers for the 2014/15 school year. If you have questions about the classifications, please call the office. The new districts will be established at the OSSAA Board of Directors meeting in September. The following classification system is used for football:

**Class 6A Division I** – Largest 16 football playing schools

**Class 6A Division II** – Next largest 16 football playing schools

**Class 5A** – Next largest 32 football playing schools

**Class 4A** – Next largest 32 football playing schools

**Classes 3A, 2A & A** – Each of these classes will consist of approximately one-third of the total number of the remaining 11-man football playing schools

**Classes B & C** – The smallest 80 Class A football playing schools that petition to play eight-man football. The largest 48 eight-man schools will make up Class B; the remaining 32 eight-man schools will make up Class C.
